

REACH information of exports into the EU and the UK

Enclosure Data Protection

As the information regarding your exports into the European Union may include sensitive business data, Alcosuisse AG is committed to use this data solely for the intended purpose, i.e. to provide the information required under REACH. The information will be given exclusively to our sole REACH representatives, Intertek Germany GmbH (EU REACH Exports) and ITS Testing Services (UK) Ltd (UK REACH Exports). Below is the privacy statement issued by our partners regarding your information:

“All information received from the Client or developed by the Company in relation to the specific Service for the Client shall be confidential and shall not be disclosed by the Company without the written consent of the Client. Such non-disclosure obligation shall not apply to information that

- (a) was known by the Company's prior to disclosure,*
- (b) was developed by the Company independently without the use of or reliance on any information received,*
- (c) has become part of the public domain through no fault, act or omission of the Company,*
- (d) was provided to the Company by a third party having no duty of confidentiality to the Client.*

Where the Company is required by law (except by patent law) to disclose confidential information, the Company shall not be in breach, provided that the Company gives adequate notice to the Client (where possible, of at least ten (10) days) prior to the required disclosure and that the Company continues to maintain the obligations of nondisclosure with regard to all other third parties”.
